Loreto Secondary School St. Michael's, Navan

Here in St. Michael's we provide a happy and secure student-centred place of learning. Inclusion, respect, kindness and encouragement are central to everything we do.

The Loreto Crest represents our deep-rooted heritage through powerful symbols: the **Cross** as the emblem of salvation, the **Heart of Jesus** representing His love, the **pierced Heart of Mary** depicting her courage, and the **Anchor** symbolizing hope, stability, strength, and safety.

The Tree: Rootedness & Growth

The sturdy **tree trunk** represents the mature trees lining our avenue and the "rootedness" of our St. Michael's community in our traditions, heritage, and longevity.

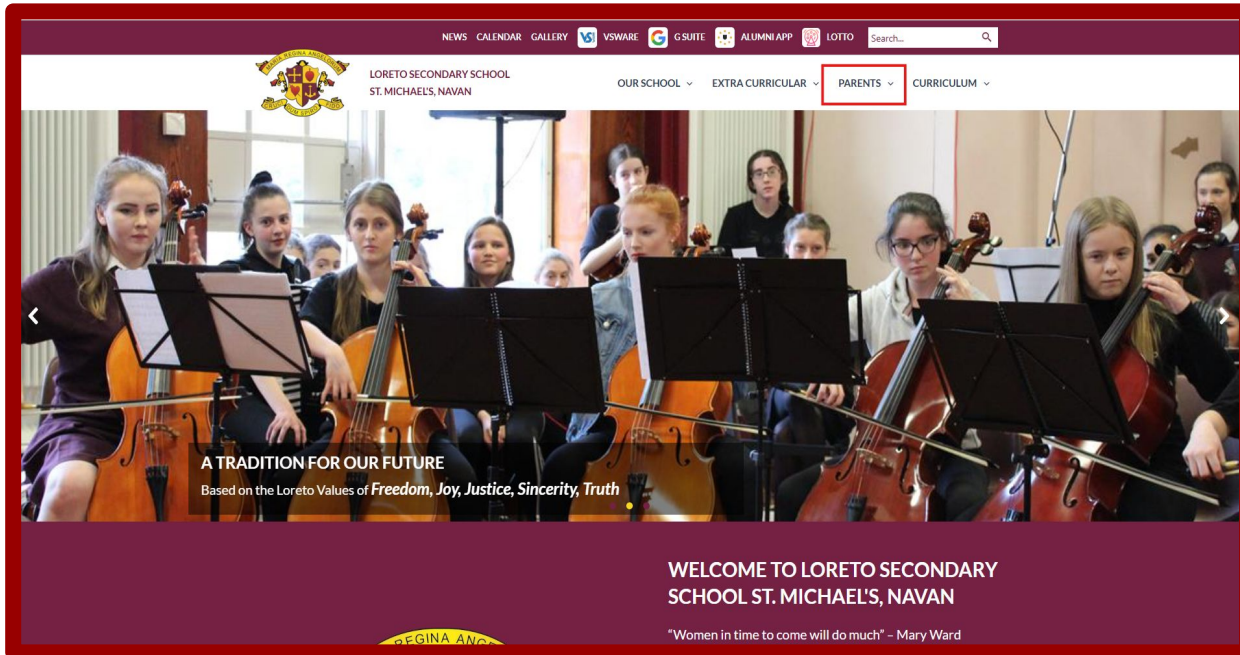

Correspondingly, the vibrant **green leaves** signify that there is always room for personal growth, development, and the fulfillment of every student's unique potential.

Final thoughts....

We welcome questions - I'll be here at the end and would be delighted to speak with you..

Please have a walk around our school, speak to the teachers and students and ask any questions...

Visit our classrooms, specialist rooms, PE Hall, Music Hall etc

Look at our website to get a flavour of all that happens here

**Enjoy getting to know our
school community!**
